WORK CARRIED OUT BY QUALIFIED IRISH GRADUATES

WE DO NOT COMPROMISE ON QUALITY AND USE ONLY
FULLY ACCREDITED LABS AND SUPPLIERS AVAILING OF THE
MOST MODERN TECHNOLOGIES

We will advise on the most appropriate treatments for all children and adults to provide cost effective and comfortable solutions

EXPERIENCED DENTISTS Our dentists are qualified Irish graduates genuinely concerned with the dental health of your family.

MODERN EQUIPMENT The latest technology, combined with cutting edge techniques and extensive experience, allows us to diagnose and treat problems safely and effectively.

RANGE OF TREATMENTS From routine check-ups to root canal surgery, we offer a full range of dental treatments for all your needs.

CHILD-FRIENDLY PREMISES Our team understands the anxiety children can experience when undergoing dental treatment. We are friendly, patient and highly experienced at providing children a safe and secure environment.

FREE ADVICE We're happy to provide free advice on how your family can maintain good oral hygiene in today's fast-paced society.

EMERGENCY TREATMENTS Dental pain can strike at any time. We understand how distressing it can be, which is why we offer an emergency walk-in service during our extensive opening hours.

AFFORDABLE CARE While providing you with the highest standard of care, we always keep one eye on the cost of treatment. Our prices are always kept as keen as possible to minimise the impact of recent government PRSI and medical card cuts.

ON-SITE PARKING As we are located within Phibsboro Shopping Centre we have ample parking and are wheelchair accessible.

Please call us or drop into our surgery to arrange a consultation. We'll be happy to speak to you about the dental needs of you or your family.

We hope you never experience a dental **emergency** but if you do you will be glad of our extended opening hours and walk-in **emergency service**

You may be put off by dental care if you've heard the prices that some surgeries charge.

We want to encourage families to take care of their teeth and dental hygiene and will help them do so by offering prices that allow affordable access to good quality treatment.

Call us today to arrange an appointment with Paul or Niall.
